

## DETAILED ACTION

### ***Allowable Subject Matter***

Claims 28 and 30-45 are allowed.

The following is an examiner's statement of reasons for allowance: The present invention is directed to a method and system for controlling secure electronic deposit boxes. Each independent claim identifies the uniquely distinct features of "allowing at least one further user access to the data storage space and wherein the further users access to the data storage space can be managed by the at least one user with regard to times and dates when the at least one further user can write to and/or read from the data storage space, wherein access to the data storage space by the at least one user is inhibited when the access to the data storage space by the further users is allowed".

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
